Keep your booklet and show the ticket below for admission to the GSA/Graduate Division Mixer for free food and drinks!

If you plan to consume alcohol, please bring your Passport or Driver’s License.

**New Graduate Student Orientation**

September 14, 2016
9:00-10:00am  Registration and Social Hour with Light Breakfast

Town Square
Check-in at one of the registration tables in Town Square and then head over to Price Center Plaza for a light breakfast. If you finish breakfast early, go to the Price Center West Ballroom or Price Center Theater.

10:00-10:45am  Welcome and Keynote

Price Center West Ballroom A/B or Price Center Theater
Welcome: Dr. Kim Barrett, Dean of the Graduate Division
Graduate Student Association President
Keynote: Dr. Juan C. González, Vice Chancellor-Student Affairs

10:45-11:30am  Graduate Division, Office of the Prevention of Harassment and Discrimination, Student Health, Counseling and Psychological Services

Price Center West Ballroom A/B or Price Center Theater
This session will provide an overview of the academic, financial, and student affairs services provided by the Graduate Division. Additionally, the Office of the Prevention of Harassment and Discrimination, Student Health, and Counseling and Psychological Services will provide a summary of their services.

11:30-1:30pm  Lunch

Town Square
Check your scheduled lunch ticket time and head down to Town Square and choose from one of our four yummy food truck options! Find a spot to sit outside and enjoy San Diego’s wonderful weather. Note: please go to your scheduled lunch time to avoid overcrowding.

11:30-1:00pm  Student Resource Fair

Price Center East Ballroom
Meet representatives from campus offices, clubs, and organizations. This is a great time to learn about campus resources and start getting involved on campus.

Library Overview: Social Sciences/Humanities/Arts
Learn about library collections, subject databases, e-journals, free book and article delivery services, off-campus access authentication, and more at this informative session designed for students in the social sciences, arts, and humanities.

Q&A: Establishing California Residency
Learn the in's and out's of filing for residency in California. We will cover a range of tips from saving receipts to summer research. We will offer information you will need to make the process as smooth as possible.

Student Health Services/Student Health Insurance Program
Learn about the services provided through Student Health Service (SHS) and get important information about the Student Health Insurance Plan (SHIP). From deductibles and co-pays to coverage for dependents, bring your questions and get answers!

Student Panel: Science/Engineering (PhD Students)
Join a panel of current graduate students in Science and Engineering fields to get the inside scoop on UCSD, living in San Diego, the grad student experience, and more!

Student Panel: Science/Engineering (Master’s Students)
Join a panel of current graduate students in Science and Engineering fields to get the inside scoop on UCSD, living in San Diego, the grad student experience, and more!

Student Panel: Social Sciences/Humanities/Arts
Join a panel of current graduate students in the Social Sciences, Humanities, and Arts to get the inside scoop on UCSD, living in San Diego, the grad student experience, and more!

Special Thank You
Many thanks to our Orientation Advisory Board and Staff/Graduate Student Volunteers
Workshop Descriptions

**Building Community at UC San Diego**
The Women’s Center, the Lesbian Gay Bisexual Transgender Resource Center, and the Cross-Cultural Center are collectively known as the Campus Community Centers. Together we facilitate interactive learning, promote self-awareness, foster leadership development, encourage dialogue, and challenge traditional notions of diversity. Learn about the programs and resources offered by the Campus Community Centers, and begin to build connections and community.

**Career Services Center & Alumni Services**
It’s never too early to think about life after grad school. Learn what you can do now to make yourself an excellent job candidate down the road. Gain insight into how connecting with alumni and professionals will help you successfully navigate future career transitions. This session will provide an overview of the services and resources offered by the Career Services Center that can help you on your professional journey.

**Fellowship Panel**
Unfunded? Underfunded? Funded but eager to start on your own research? Fellowships offered by organizations outside of UCSD can provide a path to independence from teaching and other university funding obligations, and add a great line to your CV. Come hear about these awards from students who have successfully applied for federal funding. (Note: This workshop is primarily geared toward PhD students, though Master’s students are welcome to attend.)

**Got Balance? Your Well-Being, Your Success**
Being a new grad student at UCSD means accomplishment, excitement, and meeting new people; but it also can mean academic pressure, lack of time, and stress. Join Health, Recreation & Well-Being as we explore the importance of wellness in mind, body and spirit. In this session representatives from Counseling & Psychological Services, Recreation, the Sexual Assault & Violence Prevention Resource Center, and Student Health Services will provide practical tools and strategies to help you stay balanced and discover all the resources available to help you along the way.

**Library Overview: Science and Engineering**
Learn about library collections, subject databases, e-journals, free book and article delivery services, off-campus access authentication, and more at this informative session designed for students in science and engineering fields.
